

DAVE® 8.0

Upgrade Form: Purchased DAVE v7.x August 1, 2009 or later

If you are a licensed user of a copy of DAVE purchased August 1, 2009 or later you can download a DAVE 8.0 upgrade from our website (www.thursby.com) at no charge through March 31, 2010. Or order a complete kit for \$14.95 (includes shipping in U.S.) by completing and mailing or faxing this form along with proof of purchase (a copy of your receipt or invoice).

Check here if you would like a free copy of the DAVE 8.0 upgrade. Fill out the customer information below and mail or fax it to us along with your proof of purchase (a copy of your receipt or invoice). After we receive your information, we will email you a new license key and the URL to download your new version of DAVE.
Check here if you would like the kit. To order the kit, complete the form below and mail or fax it plus payment information to us along with your proof of purchase (A copy of your receipt or invoice).

Note: See DAVE help for information on finding your serial number. An asterisk (“*”) indicates a required field.
